RENEWALS

An alphabetical list under author, issuing body, or title of books, pamphlets, serials, and contributions to periodicals for which renewal copyrights were registered during the period covered by this issue. Included in the list are cross-references from the names of claimants, joint authors, editors, etc., and from variant forms of these names. Information relating to both the original and renewal registrations is included in each entry.

TITLE INDEX

An index to the titles of the works listed in the first two sections with the following exceptions: titles of telephone directories; titles which are so general as to be meaningless without the name of the author, e.g., Poems, Yearbook; and titles to serials, compendia, etc., which are listed under title in the first two sections. Below each title in the index is the heading under which the main entry is to be found. Renewal titles are distinguished by the symbol R following the title.
